

Aya Said Hassan

UI/UX Designer • Product Designer

+20 128 640 6761 • yoyohwerah@gmail.com • LinkedIn • GitHub • Portfolio

PROFILE — UI/UX Designer with a Computer Science background and hands-on experience designing mobile apps, dashboards, and web interfaces in Figma. Strong in wireframing, user flows, prototyping, information architecture, usability, and responsive design. Growing front-end knowledge in JavaScript and Flutter.

EXPERIENCE

UI/UX Trainee — GraviLog | 2025

- Designed user flows, wireframes, and high-fidelity UI for an AI-driven pregnancy-care platform.

ICT Teacher — United International School | 2025–Present

- Teach ICT, digital literacy, and software applications across American and IGCSE departments.

Coding Instructor — ScratchJr & Scratch 3 | 2026–Present

- Teach children coding through hands-on games, animations, and project-based activities.

Control Room Assistant — United International School | 2025–Present

- Manage grades, attendance, report cards, and academic records using Excel and school systems.

PROJECTS

Gym Management Dashboard | Mar 2024 — Admin dashboard for members, subscriptions, and attendance.

Shiny Data Application UI | Jun 2025 — R Shiny dashboard focused on clear data visualization and interactive components.

Little Lemon — Restaurant Booking App | Jul 2024 — Mobile booking experience with user flows, wireframes, and prototypes.

Dessert Cafe App | May 2024 — Dessert ordering app focused on simple navigation and fast checkout.

Funly — Social App Concept | Jul 2025 — Social app concept with engaging onboarding and positive interactions.

Blossom Website Homepage | Aug 2024 — Responsive homepage with clear hierarchy and user-friendly navigation.

Glowing Earrings Brand Identity | Mar 2024 — Brand identity and business card design for a handmade jewelry brand.

EDUCATION

Bachelor of Computer Science and Statistics — Faculty of Science, Alexandria University | Oct 2022 – Jul 2025 | CGPA 3.17 | Graduation Project: A Grade
